Political Views: Anti-Politics View (Hunt 1985)

Religious Views: Uberathiest

What's on your mind?

How silly my eyes are. I spend hours imagining the audacity of these ocular organs at night. Why? Why do I have eyes? To see. Then again why must I see? To live, to carry out my life in a fulfilling manner. But again, why? This final question, has no answer. We live, we die. There is no why.

Information

Personal Info/Achievements

Professor at Basel, Independent Philosopher in Genoa (Self Employed), Psychologically Ill/Insane

Education and Work

Education Info

College: University of Basel

Work Info

Employer: University of Basel

Position: Professor

Time Period: 1869-1878

Little Known Facts/Random Info

- I have syphilis, a gross mustache, love horses, and think alcohol is the worst thing humanity ever thought of.
